

EQUALITY HUB NETWORK **HEALTH** EVENT

WHEN

Thursday 29 June 2017
10am to 3pm

WHERE

Sheffield Town Hall
Pinstone Street
Sheffield
S1 2HH

Health is an important topic for all of Sheffield. If you want to have your say and to learn more about health in our City then this is the event for you.

This is an opportunity for you to share your experience of our health services and hear what professionals are doing to support the communities represented by the Equality Hubs.

Sheffield Equality Hub Network invites you to take part in a public event on health where the people of Sheffield can share their experiences of the city's health services and recommend improvements to them.

Find out more about these important areas:

- Infant mortality
- Roma Needs Assessment
- Public Health Strategy

Take part in interactive workshops led by professionals on:

- Access to mental health services
- Cancer screening
- Female Genital Mutilation (FGM)
- Sexual Health

Healthy refreshments will be available.
