What Can You Help Us With?

At our co-production events we want to hear from you how we can make the PA Register work for you, to make sure we build a PA Register that helps you find the right PA or advertise yourself as a PA in a simple and easy to use way.

If you're an Individual Employer (someone who employs a PA) we'd like to know:

- ❖ Your experiences using the current PA Register (if you have used it)
- ❖ Difficulties, pain points and strengths of the current PA Register
- ❖ What does an ideal PA Register do for you?
- ❖ Common pain points that other websites make that we should avoid to make your experience with the PA Register trouble free
- ❖ What support or guidance would you require to allow you to use the PA Register easily?
- ❖ How do we make the PA Register as simple as possible for you to use?

If you're a Personal Assistant we'd like to know:

- ❖ Your experiences using the current PA Register (if you have used it)
- ❖ Any difficulties, pain-points, or strengths of the current PA Register
- ❖ What information is key to you when deciding whether to apply for a position as a PA with an Individual Employer?
- ❖ Have there been recurring issues when applying for roles in the past that could be addressed early in the process?
- ❖ How do we make the PA Register as simple as possible for you to use?

Booking is essential: If you would like to attend either of these events, please contact: Info@disabilitysheffield.org.uk or **01142536750** or visit <https://disabilitysheffieldcil.eventbrite.co.uk>
