

FRAMEWORK PROVIDER MARKETPLACE EVENT

MEET SOME NEW PROVIDERS

The Commissioning Team have recently retendered for a framework of providers for adults with a disability. This framework includes activities outside the home (day activities), support within the home, and overnight short breaks. There are some new providers on the framework. This event is an opportunity for social work practitioners, professionals, and people with a disability, to meet with care providers. There will be a range of providers at the event, who will be happy to talk to you about their services
