Do you employ a P.A?

We all use our phones, tablets and computers to send and receive data, but how secure are they?

There are 1.5 million cyber attacks annually, how protected are you?

Digital Security Workshop

WHEN
Wednesday 15th November
1.00 pm to 3.30 pm
Lunch provided

WHERE
Quaker Meeting House
10 St James Street,
Sheffield, S1 2EW

The workshop will be run by Sirinda Bhandal, Freelance Digital Consultant in Association with

Disability Sheffield
Centre for Independent Living

Skills for care has commissioned disability Sheffield, to review how you as individual employers and personal assistants process data

The workshop will:
▪ **Review how you collect, share, store and send data**
▪ **Review data protection legislation**
▪ **Discuss how easy it is to become victim of cyber crime and how to protect yourself**

Please come along and you could be rewarded with being the voice of one of our characters in our final production!

This will be in an informal, relaxed atmosphere

The second workshop is on the 13th December and will discuss safeguards to protect your data.

This workshop is only open to individual employers and PA's.

Please let us know if you are attending by emailing tess.daly@disabilitysheffield.org.uk

Please also advise if you require any particular help on the day.
