Specialist Employment Support

DO YOU HAVE AN AUTISM  
SPECTRUM CONDITION?

DO YOU LIVE  
IN THE SOUTH  
YORKSHIRE AREA?

HAVE YOU RECENTLY LOST YOUR  
JOB OR NEED HELP TO FIND WORK?

## WE CAN HELP!

We are delighted to be able to offer a number of one to one sessions to help individuals overcome barriers, develop action plans and get started in their search for employment.

These FREE sessions are delivered by video call, and include an initial phone call to discuss your needs, and support you to get online for these sessions.
